The product range offered by us encompasses White Marble, Beige Dark Marble, Beige Marble Tile, Beige Marble, Gray Marble, White Marble, Dark Marble, Red Marble etc. These are sourced from renowned quarries, and then processed at our well equipped processing plant under the supervision of experts.

Further, we have established Jabal Al Toor in Sharjah in 2008, an offshoot of many marble businesses that he nurtures globally. Headquartered in Carrara, Italy, the company's global presence extends to Spain, India, China, Hong Kong and United Arab Emirates.

We are also involved in importing premium quality Tiles and Marbles Blocks from China, Italy, Turkey, Sri Lanka and American Samoa.

Available with us at best market price, these marble stones are widely appreciated for their rich attributes like fine finish, excellent shine, eye catching appearance and ruggedness. The marble is processed in accordance to the latest market trends by using hi-tech cutting and polishing tools. Further, for complete customer satisfaction, we provide these stones in user-defined specifications. The marbles offered by us find application in decorating interiors for various residential as well as commercial establishments. We aim to expand our reach across the world, and become one of the renowned names in the international business domain.

Introduction

Tinka Stones created when we realised that India is missing something basic vital- Good Quality Natural Stones at affordable price. It is with the utmost pride that with the help of our loyal customers, most of whom have been with us since beginning. In addition who have joined Tinka family, we took steps creating a production facility with the aim of removing intermediary costs, controlling the quality and selections we provide, and focusing on getting the best results at the lower cost. Understanding how material is produced, the differences between various types of materials, and how important these differences can affect the final result is fundamental in our role not only as a manufacturer, but also as the person who supports clients and guide them towards the tailor made solutions. Problems do occur in stone industry, but how the problems are dealt with matters. Our Objective is to resolve the problems as quickly as possible. This is the core value given to everyone in this company.

As the company evolves, so do we and with it, We evolved in both colours and textures, formats, finishes. This catalogue will show you our innovative ranges of our stone products processed at our own plant, and we believe that you will surely discover materials that you are looking for, that will suit every style for your every project.

Storyline of our Chairman

The Chairman of Tinka Stones Pvt. Ltd., Mohammed Abdullah Shaikh was born in Rampur, Bihar on March 15, 1965. The modest farming background in which Mr. Shaikh was born, did not deter him from aspiring for more. In 1977 Mr. Shaikh began his career as an operator for a shoe manufacturer (Calcutta Plastic) in Rampur, Bihar and then in another company based in

Raipur , Madhya Pradesh. He then moved to Kolkata for better job prospects and to upgrade his skills.

A turning point in Mr. Abdulla's career was in 1983 when he moved to Mumbai in search of new job opportunities. It was then that he was introduced to the marble industry. He was engaged in loading and unloading of the Italian marble that was imported to India. In 1986, he worked as a contractor with many pioneers in the Indian marble industry. In 1990, he went to Italy and decided to stay in the field. In Italy, he was the International Purchasing Head for procuring Marble Blocks and Slabs from Italy, Spain, Portugal, Greece, Turkey and Iran. During this period, he earned an impeccable reputation as one of the best and trusted purchasing professionals in the field. At the peak of his career, the turnover of the Company was over 80 containers' loads per month.

In 1998, Mr. Shaikh established his own company in India, Nagma Stones, which was later renamed Nagma Stones Pvt. Ltd. With business growth and expansion, the company gained a firm foothold and was eventually renamed Tinka Stones Pvt. Ltd. In a short span of less than 5 years, Tinka Stones Pvt. Ltd. has earned a distinguished reputation for being the favorite destination for discerning customers looking for top quality and exotic range of imported marbles from Italy, Spain Portugal, France, Greece and Brazil. While in Italy in 1990, Mr. Shaikh was struck by the wonders of natural stones in the marble quarries of Carrara. Eventually, he established Jabal Al Toor in Sharjah in 2008, an offshoot of many marble businesses that he nurtures globally. Headquartered in Carrara, Italy, the company's global presence extends to Spain, India, China, Hong Kong and United Arab Emirates. Mr. Shaikh is a highly accomplished and respected professional in the field of International Marble Trade with about 30 Years of Experience.
